## THE ZION FOUNDATION: LEAVING A LEGACY

The Zion Foundation was established in 1987. The primary goal of the Foundation is to expand the mission of the congregation by providing a place for members and friends of Zion Lutheran Church to leave a legacy gift that will continue to make a difference beyond their lifetime.

The Zion Foundation is governed by an eight member Board. The Foundation's investment funds are held in trust and only the interest income is distributed in grants. Currently grants of over \$40,000 are awarded each year. The investment fund is managed by the Mission Investment Fund of the ELCA.
