ZION NURSERY

"A PLACE TO GROW"

**ZION**  
LUTHERAN † ANOKA

## Infant & Toddler Care

Zion welcomes all in worship, even our youngest members. We do realize that sometime children need a break, so we have provided our young families with a spot right outside the Sanctuary where you can grab a quilt, toy, book, or sit in the comfortable rocking chairs to help settle your child.

Zion also provides a great nursery for children six weeks through age three. Our nursery staff is dedicated to the care of your child and committed to their well-being. At three years old your child is welcome to participate in Kid City on Sundays.

## Fellowship

In Zion's nursery, children are cared for by members of their faith family. They also share and learn with older children in an environment filled with age-appropriate toys and activities.

## Emergency Procedures

In case of fire or need to evacuate the building, children will be escorted by staff and volunteers to the northwest corner of the parking lot. In case of tornado, children will go to the Theater.

## Health and Safety Measures

To ensure the health and safety of our children the following procedures are in place:

- Children are signed-in on the Nursery Attendance Log.
- Children are tagged; parent(s)/guardians(s) take the corresponding tag. This tag must be turned in at pick-up time.
- To keep our children healthy, we clean our space and sanitize our playthings on a regular basis.

## Registration

Register your child for regular nursery attendance by completing the form on the reverse side of this page.

## Volunteer Opportunities

Volunteers are an integral part of our nursery. All parents/guardians are strongly encouraged to volunteer several times each year if they utilize the nursery. Please be sure to complete the volunteer information form available at the front desk. If you have questions please call Samantha Sigafos, at 763-506-8118. Your support is appreciated
