

ZION LUTHERAN CHURCH FOUNDATION

The Zion Foundation was established in 1987. The primary goal of the Foundation is to expand the mission of the congregation by providing a place for members and friends of Zion Lutheran Church to leave a legacy gift that will continue to make a difference beyond their lifetime.

The Zion Foundation is governed by an eight-member Board. The Foundation's investment funds are held in trust, and only the interest income is in grants. Currently, grants of over \$60,000 are awarded each year. The investment fund is managed by the Mission Investment Fund of the ELCA.

In addition to helping some of the ministries at Zion, the Foundation also helps ministries in our community and today we celebrate these ministries.

Please join us today in the Fellowship Hall for donuts, coffee, and conversation with some of those grant recipients. And learn more about how you can continue to grow our Zion Foundation.
